### **About National Church Residences**

National Church Residences is an innovative leader in integrating housing and health care. The nation's largest not-for-profit developer and manager of affordable senior and family housing, National Church Residences was founded in 1961 and is headquartered in Columbus, Ohio. We own and/or manage 330+ properties in 28 states and Puerto Rico, as well as 6 health care facilities in Ohio.

*National Church Residences is an Equal Opportunity Employer. Successful completion of skills assessment, drug and criminal checks are conditions of employment.*
