- ✓ The Office of Latino Student Affairs was established in the spring of 2001. It is one of the few offices in this area dedicated to serve the growing Latino student population.
- ✓ We take great pride in providing the best academic, social and cultural activities. Past keynote speakers for our annual National Hispanic Heritage Month included Jaime Escalante, Cristina Garcia, Edward James Olmos and Dolores Huerta.
- ✓ We also sponsor and support programs that give students service learning opportunities in the local community and other countries.
