

BE A
lifelong
VOTER

Whether you're 18 or 98, your vote matters! Be sure to show up for local, state, and federal elections.

Vote regularly! Under Ohio law, if registered voters miss voting for 2 consecutive years, they are sent registration confirmation notices. If they do not respond and do not vote over the following 4 years, they are removed from voter lists.

Double check your registration status at least 30 days before the election! Call the NALEO bilingual hotline at **1-800-VE-Y-VOTA** to find out if you are registered.
