## October 2020

### News Update

Ohio has received an additional \$96 million in federal state opioid response (SOR) grants. The COVID-19 Pandemic has made the job of the Ohio Mental Health and Addiction Services and partnering organizations more challenging. However, Ohio's innovative initiatives and energized leaders are fueling optimism. The Governors office and OhioMHAS are working with diverse stakeholders around the state to finalize plans to increase recovery opportunities. To read more [click here](#).

### Louis Stokes Alliances for Minority Participation Grant

The overall goal of the LSAMP program is to assist universities and colleges in diversifying the nation's science, technology, engineering, and mathematics (STEM) workforce by increasing the number of STEM baccalaureate and graduate degrees awarded to populations historically underrepresented in these disciplines, including Hispanic/Latino populations. The LSAMP program takes a comprehensive approach to student development and retention. Learn more and apply by November 20th, 2020 [here](#).

### Hispanic Heritage Foundation Youth Awards

Just in time for Hispanic Heritage Month! The Youth awards was founded in 1998 to honor Latino high school seniors who excel in the classroom and community, for their excellence in various categories. Selected recipients will receive a one-time grant to help fund their college education and a community service project. One selected recipient will also become part of the broader HHF network of 200,000 professionals. [Learn more/apply by 12/6](#).
